

## MPO/MTP Housing Kit

- MPO connector is a housing kit that enables single-attachment/detachment of multi optical fiber.
- It is used together with MT connector that is 4-core, 8-core, 12-core and 24-core each. Both MPO and MTP are available.

### Characteristic

- The MPO is compatible with US Connec MTP.
- It corresponds to a round cord.

### Housing Kit for MPO cord (Woojin Japan)

Model No.	Guiding pin	Option	Applicable cord outer diameter	Color
WJ-MPOF-12-MM-BE	No	for multiple mode	Φ3	Beige
WJ-MPOF-12-SM-GR	No	for single mode	Φ3	green
WJ-MPOF-12-SM-YE	No	High performance single mode	Φ3	Yellow
WJ-MPOF-12-MM-BE	Yes	for multiple mode	Φ3	Beige
WJ-MPOF-12-SM-GR	Yes	for single mode	Φ3	green
WJ-MPOF-12-SM-YE	Yes	High performance single mode	Φ3	Yellow

### Housing Kit for MTP cord (US Connec)

Model No.	Guiding pin	Option	Applicable cord outer diameter	Color
8193	No	for multiple mode	Φ3	Beige
